# WINNING AT WINTER CHALLENGE

## Welcome to the Winning at Winter challenge!

We've put together a list of experiences that the whole family can enjoy while on their ski holiday. Anyone under 18 who completes five of the experiences (and shows us photographic evidence that they did so) will earn a bronze Winning at Winter certificate, those who complete 10 activities earn a silver Winning at Winter certificate and those who complete 15 or more of the 20 experiences earn a gold certificate and a buff neckwarmer - perfect for wearing on your ski holiday or on the school run.

Activities can be completed over the course of more than one ski holiday with Peak Retreats to give children the chance to work towards the gold certificate.

### Ready to take part?

Check out the list of activities and get going! Don't forget to take photos of the activities you complete.

### Ready to submit your photos?

You can submit photos one at a time or at the end of your ski holiday.

- Send an email with the photos to [marketing@peakretreats.com](mailto:marketing@peakretreats.com)
- Please send one email per child (or else things can get very confusing!)
- Include the child's name and your holiday booking reference.
- We will confirm receipt and let you know how many activities you have completed!

### General advice for parents and carers

We want our little skiers to be confident in the mountains, so it's important that they learn about boundaries and how to keep safe too. We trust that you will make your own judgement about what is safe and suitable for the age and ability of your child and we recommend that all of our activities are supervised by an adult.

**Enjoy!**
